

Date November 9, 2021

**URGENT -
DRUG RECALL**

Subject: Recall of solid dose tablets

Attn: Materials Manager

This letter is to inform you that Ultratab Labs is conducting a voluntary recall of certain lots of OTC products manufactured between 10/31/2018 and 01/15/2020. See attached list of products and specific lot numbers.

Our records indicate you may have purchased some of the affected lots from us in the past.
Please examine your stock immediately.

1. For each product, first check the expiration date. If you have the affected expiration date, then open the box and look at the lot number printed on the packet. If you have the affected lots, remove them from your inventory and place in quarantine immediately.
2. Fill out the attached Recall Verification Form to indicate whether you have any of the affected Lot Numbers in stock and fax it to 206-431-9828 or email to sales@harthealth.com.
3. Credit will be issued for product returned with the affected lot numbers.

Even if you do not have any of the affected lots in stock, your response is still required.

HARTHealth appreciates your immediate attention to this request. If you have any questions please contact your customer service representative at (800) 234-4278.

Sincerely,

Chris Simons
Quality Control Unit Manager
