**IMMEDIATE ACTION REQUIRED**

**3M™ Flap Wheels 747D**

**Lots numbered from #0304 to #1050**

*(received by customers November 1, 2020 through February 19, 2021)*

March 1, 2021

Dear Valued 3M Abrasive Products Customer,

3M Abrasive Systems Division (ASD) has recently identified potential safety concerns with 3M™ Flap Wheels 747D – Lots numbered from #0304 to #1050. Use of affected products by our customers may potentially lead to health and safety concerns because flaps and parts of the core may detach during use. Safety is our first concern and your immediate action is requested (see page two for required actions).

Only lots numbered from #0304 to #1050 are impacted. These lots were manufactured October 29, 2020 through February 19, 2021 and received by customers November 1, 2020 through February 19, 2021.

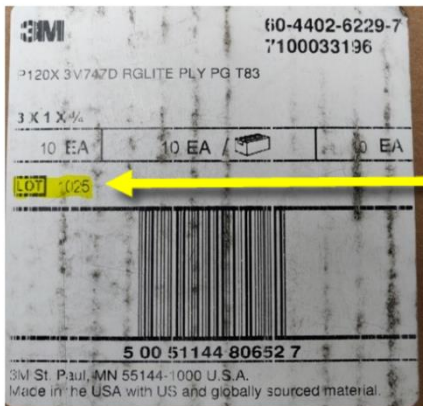

Customers can locate the lot number of their product on the label of the shipper (see page two for a reference image). If the shipper carton is no longer available and product was received from November 1, 2020 through February 19, 2021, see page two for required actions. Below is a list of affected products.

*Replacement product options exist. For assistance, please contact 3M Abrasive support at 1-866-279-1235.*
