NOTICE: 3M™ Marine Grade Silicone Sealant

To Our Valued Customer,

This notification is regarding **3M™ Marine Grade Silicone Sealant** in 10.3 fl oz tubes (the “Product”). It has come to our attention that some of the tubes may contain clear sealant despite being labeled as “white” on the packaging. See Figure 1 on the next page of this notice for additional detail.

The affected lot of Product is listed in the table below.

| 3M Material Number | Material Description | Lot Numbers |
|---------------------------|-----------------------------------|--------------------|
| 7000120476 | 3M™ Marine Grade Silicone Sealant | A3145AB044 |

We believe that the Product’s other properties are unaffected; it is only the product appearance that may be different than labeled.

Any Product you might have in your possession may be used as-is or scrapped on-site for a CFR credit.

We are here to help support you if you have any questions. Please contact your local 3M representative to further assist with your immediate needs. Thank you for your continued support of 3M products and solutions.

Regards,
