

Get MORE certainty with Airgas.com!

Airgas.com makes it easy to find Certificates of Analysis (COA) for the gases you've purchased.

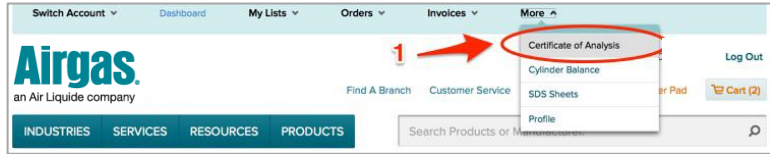

Do I need to be registered or logged in to find Certificates of Analysis?
Yes, you need to be registered and logged in.

Do all gases have a Certificate of Analysis? No, not all gases have a Certificate of Analysis.

Can I browse Certificates of Analysis? No, you have to search for a specific Certificate based on the gas you ordered.

Can I save/download the Certificate of Analysis? Yes. Your Certificate of Analysis will appear as a PDF in a separate browser window. Just right click the PDF and select 'Save As.'

For further help: Please contact the customer service team at "[GET HELP](#)" or call 1-866-935-3370 to speak to a representative.

How to find Certificates of Analysis:

- Go to Airgas.com
- Click on 'More' in the top toolbar and then 'Certificate of Analysis'
- Please note: not all gases have a COA and you can only access a COA for a gas you have ordered on your account
- Enter either the Reference number, Cylinder number or Barcode number for the COA you need (This information can be found on your invoice)
- Click on the 'Search' button
- The search results will be displayed
- Click on the COA number
- Select the certificate and/or COA that you need and click 'Create PDF Report'
