

Do MORE wherever you are with Airgas.com!

Airgas.com is also available on your mobile device. There is a specific version of the site which is optimized for small-format mobile devices.

Is the mobile site the same as the main website? The mobile site is mainly geared toward the shopping experience. You can place orders, view your account and find a local branch.

How do I get back to the home screen? Simply select on the Airgas logo at the top of the screen.

How do I get to the cart screen? Select on the cart logo on the top right of the screen to access your shopping cart.

If I put items in my cart from the website will it appear on the mobile site? Yes, if you are logged in and add items to your cart, they will be available on both the website and mobile site.

Where is the filter on the mobile site? On the mobile site, the left-hand bar appears above the product list. It appears in the minimized state and can be expanded by clicking on the '+' links.

What If I have a question about how to use the mobile site? If you have any questions about the mobile site please contact either eservice@airgas.com or phone 1.866.935.3370 to speak to our customer service team.

How do I navigate the mobile site?

- On your mobile device go to Airgas.com
- On the home screen you can search for products, login or find a local branch
- Once you have logged in, use the 'Menu' button at the top of the screen to access your account, orders, dashboard and so on
