

Know MORE about deliveries with Airgas.com!

At Airgas we know the person paying the invoice is not always the person who took delivery of the goods. To help with this, we have made Proof of Delivery for gas deliveries via Airgas truck, available on Airgas.com.

**For further help:** Please contact the customer service team at “[GET HELP](#)” or call 1-866-935-3370 to speak to a representative.

**Can I obtain a proof of delivery for MicroBulk?** Proof of delivery for MicroBulk is not available on Airgas.com.

**What about orders fulfilled by a third party?** For orders fulfilled by a third party delivery company like UPS or FedEx, tracking orders is done through Order History found under Orders on your toolbar.

**How to find Proof of Delivery:**

- Login to Airgas.com
- Select 'Invoices' from the toolbar then select 'Pay Invoices'
- The Pay Invoice screen will be shown. Click the 'Check for POD' link against the invoice you want to check
- A PDF of the POD will open in a new internet window
