

Fill Your  
Potential.™

**Airgas**  
an Air Liquide company

# When you're ready to deliver on your potential, so are we.

It's in your DNA. You're constantly striving to find a better way to get the job done: a better way to build, serve, produce, care, collaborate, innovate. Your determination inspires us to think bigger. And work harder to understand the unique challenges you face—to help you implement innovative and sustainable solutions that drive your growth and success. We share your commitment to being the best you can be, every day.

## **We're not your average gas supplier.**

Every day, across every relationship, we at Airgas are here to help you deliver on your potential. From the gases, welding and safety products you use to make great things. To the insights that enhance your business performance. To the steadfast support that keeps you moving forward so you reach your objectives. Because when you fill your potential, we fill ours.

# Fill Your Potential.™

## **We succeed when you succeed.**

Our approach is all about giving you a competitive advantage. By working together, you get access to the advanced equipment, gas solutions and expertise you need to:

- increase efficiencies and manage costs
- enhance operations
- maximize safety
- improve sustainability

**Find us online, in store  
or on the phone.**

A network of 900+ retail locations, a robust eBusiness platform, a large US sales team, a comprehensive network of highly trained specialists, and our expert Airgas Total Access® telesales representatives are all waiting to help you fill your potential.

**Helping you advance  
your performance  
and reach all of your  
potential.**
