

STRAX® **FLOOR MATTING**

A. Diamond Stat™ Vinyl Conductive and Anti-Static Mat

- Formulated to drain static electricity from worker keeping sensitive circuitry safe
- Includes grounding cord
- Diamond top surface of durable vinyl combined with dense closed cell foam base with exclusive UniFusion™ technology
- Sloped beveled edges on all four undersides
- 9/16" overall thickness

Part Number	Description	Thickness	Color
S57826S0023BL	2' x 3' Mat	9/16"	Black
S57826S0035BL	3' x 5' Mat	9/16"	Black
S57826S0312BL	3' x 12' Mat	9/16"	Black

B. Pebble Step Sof-Tred™ with Dyna-Shield® Mat

- Non-directional top surface ensures traction and is easy to clean
- Offers better than average fatigue relief and outlasts traditional sponge matting
- Pebble-embossed PVC sponge made with Dyna-Shield® protective top layer
- All four sides are beveled to minimize trip hazard
- 3/8" overall thickness
- Available in Black(BL) and Yellow (BY)

Part Number	Description	Thickness	Color
S57415S0023	2' x 3' Mat	3/8"	Specify
S57415S0035	3' x 5' Mat	3/8"	Specify
S57415S0312	3' x 12' Mat	3/8"	Specify
S57415R0024	2' x 60' Roll	3/8"	Specify
S57415R0036	3' x 60' Roll	3/8"	Specify
S57415R0048	4' x 60' Roll	3/8"	Specify

C. Marble Sof-Tyle™ Rubber Anti-Fatigue Mat

- Smooth marble-pattern top surface of heavy-duty rubber is combined with dense closed cell foam base with exclusive UniFusion™ technology
- Easy to sweep clean or damp mop
- Sloped beveled foam on all four undersides allows easy access on and off mat
- 1/2" overall thickness
- Standard RedStop® backing
- Available in Blue (BU), Walnut (WN), Black (BL), Gray (GY), and Beige (BE)
- 1 year manufacturer's warranty

Part Number	Description	Thickness	Color
S57470S2436	2' x 3' Mat	1/2"	Specify
S57470S3660	3' x 5' Mat	1/2"	Specify
S57470C0024(**)60	2' x 60' Mat	1/2"	Specify
S57470C0036(**)60	3' x 60' Mat	1/2"	Specify
S57470C0048(**)60	4' x 60' Mat	1/2"	Specify

**Specify color when ordering

D. Sanitop® Rubber Anti-Fatigue Mat

- A durable rubber compound formed with an alternating large and small hole drainage system to keep moisture and debris free from worker platform
- All four sides have an integral bevel border system
- Black mats are grease-resistant; red mats are grease-proof
- 1/2" overall thickness

Part Number	Description	Thickness	Color
S57562S0035RD	3' x 5' Mat	1/2"	Red
S57562S0035BL	3' x 5' Mat	1/2"	Black
S57562S0310BL	3' x 10' Mat	1/2"	Black
S57562S0320BL	3' x 20' Mat	1/2"	Black

E. Diamond Sof-Tred® with Dyna-Shield® Mat

- Non-directional diamond deck plate top surface enhances traction and resists abrasion
- Dyna-Shield® protective top layer for longer wear
- All four sides are beveled to minimize trip hazard
- 1/2" overall thickness
- Available in Black(BL) and Yellow (BY)

MADE IN USA
