

Airgas Featured on Newsweek's America's Most Trustworthy Companies 2023 List

Airgas, an Air Liquide company, has been included on Newsweek's list of America's Most Trustworthy Companies 2023. This prestigious award is presented by Newsweek and Statista Inc., the world-leading statistics portal and industry ranking provider. The awards list was announced on March 29, 2023, and can currently be viewed on [Newsweek's website](#).

America's Most Trustworthy Companies 2023 were identified in an independent survey based on a vast sample of approximately 25,000 U.S. residents who rated companies they know in terms of three touchpoints of trust. A total of 95,000 evaluations were submitted. All companies headquartered in the U.S. with a revenue over \$500 million were considered in the study.

The top 700 Most Trustworthy Companies across 23 industries have been chosen based on a holistic approach to evaluating trust. The three main public pillars of trust were considered: customer trust, investor trust, and employee trust.

Airgas is pleased to be recognized on Newsweek's list of America's Most Trustworthy Companies 2023.

Marcelo Fioranelli, Airgas Chief Executive Officer, commented, *"This recognition by Newsweek represents exactly what Airgas wants to be for our customers, associates, and in the communities we serve. Our associates' continuous hard work and dedication to gain and retain our customers' trust has contributed to this recognition from Newsweek, which we are very honored to receive."*

Airgas, Inc.

A world leader in gases, technologies and services for Industry and Health, Air Liquide is present in 73 countries with approximately 67,100 employees and serves more than 3.9 million customers and patients. Oxygen, nitrogen and hydrogen are essential small molecules for life, matter and energy. They embody Air Liquide's scientific territory and have been at the core of the company's activities since its creation in 1902.

Taking action today while preparing the future is at the heart of Air Liquide's strategy. With ADVANCE, its strategic plan for 2025, Air Liquide is targeting a global performance, combining financial and extra-financial dimensions. Positioned on new markets, the Group benefits from major assets such as its business model combining resilience and strength, its ability to innovate and its technological expertise. The Group develops solutions contributing to climate and the energy transition—particularly with hydrogen—and takes action to progress in areas of healthcare, digital and high technologies.

Air Liquide's revenue amounted to more than 29.9 billion euros in 2022. Air Liquide is listed on the Euronext Paris stock exchange (compartment A) and belongs to the CAC 40, CAC 40 ESG, EURO STOXX 50, FTSE4Good and DJSI Europe indexes.
