Branch stock only, while supplies last.

- Small size & light weight provides exceptional portability for a 5/8" rated cutting system.
- Patented drag-cutting technology makes it easy to use, even for first-time operators.
- Smart Sense™ technology ensures that the air pressure is always correctly set.
- Mark, score & make precision gouges w/ new low amp process.
- Finish jobs faster w/ cut speeds one & a half times greater than oxyfuel on 1/4" mild steel.
