

Create MORE and register for MORE with Airgas.com!

Are you a brand new Airgas customer? Have you never been invoiced or received a quote from us? If so, it's easy to both set up your account and register online at the same time on Airgas.com.

What if I have been invoiced or received a quote? There is a slightly different process. Select 'Register' at the top right of any page on Airgas.com. Then select 'Existing Customer' under 'Register for an Online Account'.

What's my username for when I login in the future? Your email address will be used as your username and you will also need to remember the password you set while registering

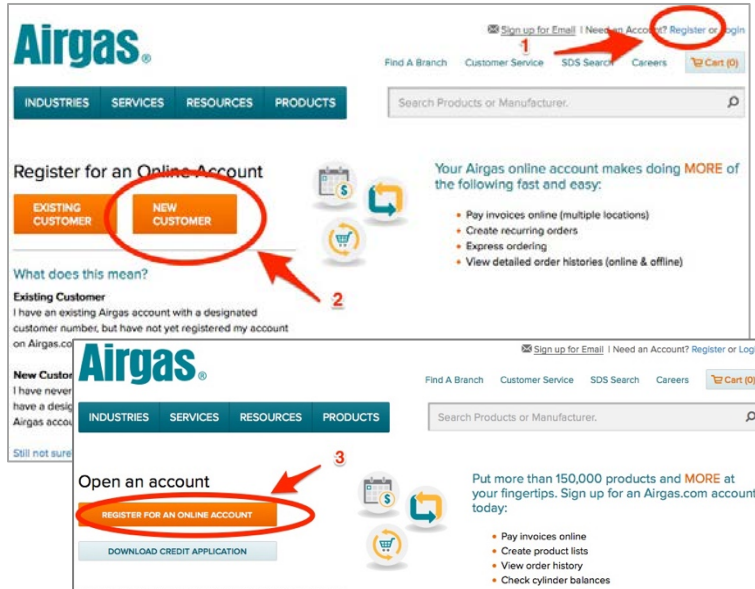

What are the password rules? Your password must be a minimum of seven characters and must also have one digit.

Are there online videos to help me out with registration? Yes, there are. Navigate to Airgas.com, click on 'Resources' at the top of the page and then 'Tutorials' in the middle of the page.

Do I have to download a credit application? If you want to purchase gases on your account, then you will have to download, complete and return a credit application.

Can I still purchase from Airgas.com while my account is in review? Yes, you can continue to purchase as a guest user on Airgas.com using your credit card.

What if my account has been in pending status for more than a week? Please contact either eservice@airgas.com or phone 1.800.935.3370 to speak to our customer service team.

Registering as a new Airgas Customer:

- Click on 'Register' at the top of the screen then on 'New Customer'
- Click on 'Register for an Online Account'
- Fill in your contact information such as name and email address then click 'Continue'
- Fill in your company's address and phone number, then click 'Register'
- You will receive a confirmation email that we are processing your registration.
- If you want to purchase gases you will also need to download and return a credit application
- Click on 'Register' then 'New Customer' and finally 'Download Credit Application'
- Fill in the application and return to the address on the form
- Once received, an Airgas representative will review both the application and the registration
- Your account will be in pending status until this review is complete
- Once your account is activated you will receive a welcome email with your customer number and user name
