

## Seamless Knit PolyKor® Blend Glove with Acrylic Liner and Double-Dipped Nitrile Foam Grip on Full Hand - Touchscreen Compatible

ANSI A4 Cut Level

Used in refrigerated areas, utilities, food processing, commercial fishing, construction, outdoor winter activities and recreation.

### Features

- Seamless construction for a comfortable fit
- PolyKor® blended shell is lightweight and provides excellent dexterity, tactile sensitivity and cut resistance
- Acrylic lined gloves provide economical cold weather protection
- Nitrile foam coating provides superior grip in dry, wet and oily applications
- Fully coated flat nitrile helps keep hands dry in wet applications
- Touchscreen compatible to allow the user to operate a touch screen phone or device without removing gloves
- Knit wrist helps prevent dirt and debris from entering the glove
- Excellent thermal insulation with extra softness for non-chafing comfort
- Quickly evaporates moisture from the skin
- Launderable for extended life and to reduce replacement costs
- Color coded hems for easy size identification
