Safety and PPE

## RADNOR® by 3M™ Speedglas™

RS-900 Helmets | For use with stick, MIG and TIG welding

### Features

- Natural Color Technology optics allow better control of the weld puddle with a view that appears lighter, brighter and more realistic in both light and dark states
- Headband designed for comfort and robustness with smooth ratchet for precise tightening
- Hard hat compatible for welders working in areas with overhead hazards
- A built-in holder for magnifying lenses including 1.5X, 2.0X, 2.5X and 3.0X
- Reduced lens fogging with exhaust vents built-in helmet
- Compliant with ANSI Z87.1-2020 standards
- Lightweight, slim profile means less constriction in tight spaces
- Replacement parts and accessories are also available

**BEST**

RAD64005228
